

**Meghe Group of Hospitals announces partnership with ImpactGuru.com to make healthcare accessible and affordable for all**

**Nagpur, INDIA, 2<sup>nd</sup> December, 2021:** Meghe Group of Hospitals today announced its partnership with ImpactGuru.com, India's leading healthcare financing platform for patients. This association will make ImpactGuru.com the preferred medical crowdfunding platform for Meghe Group of Hospitals units namely Shalinitai Meghe Superspeciality Centre, Sawangi, Wardha; Acharya Vinoba Bhave Rural Hospital, Sawangi, Wardha; and Shalinitai Meghe Hospital and Research Centre, Wanadongri, Nagpur.

Over the last decade, public healthcare expenditure has seen a steady rise in India. Over 500mm middle class Indians have zero health insurance. As healthcare finance is a cause of concern, medical crowdfunding has thereby become a primary source of financial aid, especially in cases of medical emergencies, such as organ transplants, neurosurgery. The focal point of crowdfunding is that there is no burden of debts on the individuals as there is no payback liability.

The MoU was signed by **Dr. Sandeep Shrivastava, CEO, Meghe Group of Hospitals** and **ImpactGuru.com** at **Shalinitai Meghe Hospital & Research Centre**.

**Dr Sandeep Shrivastava CEO, Meghe Group of Hospitals,** "Meghe Group of Hospitals has been providing unparalleled healthcare services in the rural area for Central India through its state-of-the-art facilities and expert super specialist consultants for the past 30 years.

With the help of ImpactGuru.com , we aim to help underprivileged patients "

Since mid-2020, ImpactGuru.com has raised over Rs. 2 crore for several patients based in Nagpur. As of today, highest and fastest raised for a Nagpur patient is Rs. 27.56 lakh raised from over 2,500 donors, in less than 24 hours.

**Piyush Jain, Co-Founder and CEO, ImpactGuru.com,** "In the last 7 years, ImpactGuru.com became the preferred way for people to finance treatment for their critical illnesses. The Covid-19 pandemic spurred a heightened wave of online generosity amongst the public, resulted in an average of 5 donations now per minute on ImpactGuru.com.

As we scale towards accelerating rapid growth, we thank Meghe Group of Hospitals for believing in our tech-for-good platform's capabilities in transforming patient lives.

Our mighty ambition is to make an extraordinary impact through our platform, help finance the critical illnesses of over 1 million / 10 lakh patients over the next decade."
