TEACHING HOSPITALS & HEALTH CARE SERVICES

The teaching hospitals attached to the constituent colleges are core areas for imparting hands on clinical training to the learners to shape and sharpen their clinical skills. The services offered to the patients need to be of top quality and the State of the Art facilities are created at these hospitals to ensure integration of Service & Training component. The hospitals under the university are managed through an efficient monitoring system, feed backs and audits to ensure optimization of the quality. The Hospital steering committee not only ensures the proper functioning of the hospitals but also ensures the optimum utilization of hospital resources for training to the learners. University has 3 major hospitals as AVBRH, SPDC and MGAC hospitals, total 1721 bedded fully equipped teaching hospitals with state of the art facilities. Around 410 clinicians and adequate nursing & Paramedical manpower is provided for the patient care. The AVBRH happens to be one of the largest teaching hospitals in the central area providing promotive, preventive, therapeutic health care facilities not only to the people of the vidarbha but also the population from adjoining state.

The hospitals are working on the Philosophy of “Affordable health care for all” and “Health care at doorstep”. In the pursuit of the same all the hospital services, including the high end superspeciality services are offered at highly subsidized and affordable cost. Many health care, patient welfare schemes are launched to help the economically weaker sections of society.

There is a rich network of outreach and extension activities to reach the needy and facilitate them avilment of the hospital services, to name a few important initiatives.
