Background:

This comprehensive annual academic calendar has been formulated taking in to consideration, the delayed commencement of last academic year 2020-21, because of unprecedented COVID-19 situation resulting in further delay of conduction of all academic activities including examinations requiring subsequent modifications in the academic calendar (Notified earlier as Modified Academic Calendar for 2020-21).

Further this is a model Academic Calendar proposed for year 2021-22 and subject to modification as required depending upon the prevailing situation from time to time.

PART-I: ANNUAL ACADEMIC CALENDAR

• ACADEMIC TERMS & VACATION:

TERM	FROM	TO	Total days	No. of Holidays				Working days available
				Sundays	Public Holidays	Vacations	Total Holidays	
First Term	01.07.2021	31.12.2021	184	26	8	-	34	133+ 7* = 140 days
Winter Vacation	25.10.2021	09.11.2021	17	03	--	14	14	
Second Term	01.01.2022	30.6.2022	182	26	10	--	36	115+16* = 131 days
Summer Vacation	1.5.2022	31.5.2022	31	05	02	26	31	

This arrangement shall take care of lost period during GFC in the first term.

*Winter vacation and Summer Vacation for Clinical Department (Clinical posting, internal assessment examination, University examination and routine hospital work done during vacation period by 50% staff on duty in each half of vacation. Hence ½ of the vacations days are included in total working days.

Actual working = 140 days in First term + 131 days in IIndterm = 271 days teaching days which is over and above the minimum requirement of 240 days working days

This calendar will be applicable for the students getting admission in academic year 2021-22, subject to modifications in view of the uncertain prevailing situation due to Covid pandemic, whereas for the existing batches, the modified academic calendar notified earlier shall be applicable.
