Date:- 17-8-2023

CPR Demonstration at Nelson Hospital, Nagpur

Name Of Event- Mass CPR demonstration & training Organized in partnership with Nelson Hospital, Nagpur

Date-14-8-2023

Total Participant :-38

Name of Beneficiaries- Nursing Staff & Doctors from from Nelson Hospital, Nagpur

Objective-

- 1.**To orient participants about cardiac arrest & adult chain of survival.
- 2.**Recognize Cardiac arrest.
- 3.**To demonstrate High quality CPR in victim of cardiac arrest.

Attendees explored clinical images, watching faculty giving them a live demonstration, and participated by practicing on mannequin, making the learning experience engaging and informative. By demystifying CPR through hands-on activities, the organizers aimed to empower individuals with practical knowledge for early detection. The practice on mannequin not only reinforced key points but also added an enjoyable element, encouraging active participation. Together, the event successfully disseminated crucial information, empowerment in the hands on practice of CPR.
