AWARENESS CAMPAIGN ON OSTEOPOROSIS

- The Student Welfare Cell carried out the ‘**Osteoporosis Awareness Campaign**’ at the AVBRH hospital on 26th October 2021.
- It was carried out across the departments of **Medicine, Obstetrics & Gynaecology and Orthopaedics**.
- The HODS of these departments helped to coordinate and support the awareness campaign.
- It was done under the banner ship of **Youth Red Cross Society** in association with the **Student Welfare Cell** of DMIMS University.
- The students of 1st & 2nd MBBS carried out of the campaign wherein they interacted with the relatives of the patients as well as the patients and made them aware of the condition called Osteoporosis, a degenerative condition of bone seen in old age.
- They also made them aware about the various symptomatology and the preventive measures and when they should contact their nearest health care physician.
- They also explained the facilities available at AVBRH for the same.
