The Eligibility Criteria for ACME Application (as per NMC guidelines)

- a) Application is to be made on standard application form. Recommendation from the Dean/ Principal of the college is must on the application form.
- b) Applicant must be a Full time faculty as per NMC regulations.
- c) Associate Professor/Additional Professor/Professor shall be considered. Up to 3 seats in a batch may be allotted to Assistant Professors with minimum three years teaching experience. These 03 seats can also be allotted to faculty applicants from the NC/RCs.
- d) While ascertaining three years teaching experience for Assistant professor the experience of senior residency, junior residency and Tutorship will NOT be considered.
- e) Applicant must have successfully completed the RBCW/BCME (A self-attested copy of the certificate to be attached)
- f) Institution-specific eligibility of participants: 30% of faculty in a medical college spread over specialties must undergo the ACME. Principal/Dean of college must check this before sending the applications and also attach the list of already trained/undergoing ACME candidates. This should also be checked by NC/RC that the applicants are drawn from various specialties. Date of joining of each eligible participant as full time faculty in the colleges to be clearly mentioned at the time of application / nomination by the Dean / Principal.
- g) Preference will be given to RC/NC resource faculty, MEU Coordinator/Curriculum Committee members and MEU members of the college. However, not more than three Department of medical education (DOME) faculty and other faculty of a Nodal Centre/ Regional center can undergo ACME at their own NC.
- h) The maximum number of participants per course is 30 and the minimum 25.
- i) The NC should also prepare a tentative reserve list of 5 candidates so that a seat does not go vacant in the event of a last minute cancellation.
